

Colonial Heights Easter Scavenger Hunt!!

Thank you everyone for participating!! Good Luck!!

- Be mindful of others. Stay six feet away from other families as you hunt and wear a mask if you get close! 😊
- Some homes have treats! Use hand sanitizer before you pick up your treats and only take one.
 - Some homes have sidewalk chalk art, please, use hand sanitizer before you use the chalk and of course think before you draw! I know this sounds obvious and this is a family event...but you just never know (appropriate drawings only)!
- The hunt time is 10-2. Write the address of the found item in the space below the clue. If you do not have a printer just write them on paper and include the number of the clue and the address.
 - Look closely at the last clue and come see what treat the Easter Bunny has left you for your awesome hunting skills!!
- We also have an option of a few adult beverage prizes if our adults so choose.

Clues!!

(side-walk chalk stations are labeled draw and treat stations are labeled treats)

1. (draw and treats) Start your hunt, at the big play park.
Wave to Spider Man, we call him Mark.

Then turn south down the big wide street,
lined with tall tropical trees, two rows so neat.

Hop fast towards the double boulevard,
That has trees and park-in the-middle like the longest yard.

But stop before you cross that street,
Your prize awaits; follow your feet.

Seek the house on the corner with great agave.
And look in front for the prize you crave.

His name is Peter, and he waits below,
In the bushes all in a row.

But wait, there are more friends numbering four plus four.
Can you find them all? Are there any more?

So hop away, with your Easter basket,
Find us early, for candy in an egg, if you ask it
